

Holiday spirit peaks, thanks to fraternity chapter

Tau Pi Chapter of Omega Psi Phi Fraternity, Inc. will launch its P.E.A.K. (Puzzles Enriching Aspiring Kids) Program on December 18. The Chapter purchased and will distribute age-appropriate puzzles as a Christmas gift to all 264 three- and four-year-old Head Start children in Howard County.

The program was the brainchild of U. Michael Currie, a member of the Board of Directors of Community Action Council of Howard County, MD, Inc. (CAC) and Tau Pi Chapter. CAC administers the Head Start program in Howard County.
